CARING ABOUT THE ENVIRONMENT:

The environmental impact of our products are very important. There are a couple of our products that support the environment such as the Foam Soap Dispensers, Hand Sanitiser Dispensers, the Energy Saving Hand Dryer, Pulse Mop, and in our consumable range the Lotion Hand Soaps, Eco Rim Block, Cistern Block and Bio Purinel to name but a few...

WHAT DOES THIS MEAN

- a. Our dispensers are made to buy once, making them sustainable
- b. Our lotion soaps are EU Ecolabel approved with our 500ml options having the additional green seal approval
- c. Our hand dryer is energy saving while still being effective
- d. Our Urinal solutions are bio friendly, using enzymes and bacteria to clean, instead of chemicals
- e. Our pulse mop, is a water saving solution using only 750ml water at a time, instead of using a bucket of water

WE ARE CONTINUOUSLY IMPROVING ON OUR OFFERING OF PRODUCTS THAT TAKE THE ENVIRONMENT INTO CONSIDERATION, SO WATCH THIS SPACE.
